The editor acknowledges receipt of a copy of the new 1906 Kodol Almanac and 200 Year Calendar. The most important feature is without doubt the very simply constructed 200 Year Calendar, whereby with absolute accuracy you can tell the day of the week on which any event occurred during one hundred years of the past, or on which any date will occur during the next hundred years, thus giving the day of the week on which any birth, death, marriage or any important event may have happened.

Messrs. E. C. DeWitt & Co. of Chicago, Ill., are sole owners and publishers of the Kodol Almanac and 200 Year Calendar, and will be pleased to mail a copy of this booklet to anyone enclosing a two-cent stamp with a request for same, provided this paper is mentioned.
